I. INTRODUCTION OF GA

II. COMMITTEE/GENERAL ANNOUNCEMENTS

III. PROPOSALS

A. GA Expansion Proposal (continued from last night)

Proposal that the GA process have a separation between camp issues and "global scale movement" issues. The camp issues would be held at 10AM in Terry Shrunken Park and the global issues would be held at 7PM in Pioneer Courthouse Square. The reason for the change of space is so the movement would be more visible to the wider community.
